

Part-Time Optician

Ensuring our patients have the best experience and quality of our products is of the utmost importance to us. We are seeking a friendly, outgoing, experienced, intelligent, and energetic individual who has a strong desire to improve people's lives to help us with our goal.

You must be well versed in guiding patients through the frame process and have a strong knowledge of current lens options. Additionally, you must be able to order, dispense, adjust, and repair frames/glasses. Other required skills are analyzing/verifying eyeglasses and RGP contact lens prescriptions, and performing contact lens insertion/removal trainings.

The ideal candidates will:

- Possess at least 1 year of previous optical experience (ABO preferred).
- Possess a working knowledge of VSP.
- Possess excellent customer service and communication skills.
- Be mechanically inclined and able to multi-task.
- Be detail oriented.
- Be a reliable, team-oriented player.
- Be well spoken with a professional appearance.
- Be able to work without supervision.

The position is a part-time position offering 24-32 hrs/week (full days). The schedule of the position can/will include Saturdays and late shifts on Thursdays. The position starting salary is DOE with additional benefits (ie. 401k with company match).
